that the institution with the Sarvamanya village of Sajjankere in the Chitaldrug Taluk endowed to it, which was under Govt. management for some years, was restored to the Inamdars. Information about the present income & expenditure of the institution and the savings at its credit, has not been furnished as called for. When the institution was under Govt. management, a scale of expenditure amounting to Rs 671-10-8 against an annual income of Rs 950/- was fixed as will be seen from para 1 of the G. O. referred to above.

Next, as regards the Govt. chattram, it will be seen from the Cash Grant Register that an annual grant of Rs 688-8-0 has been made to it and the Dy: Comr reports that the entire amount is being spent.

Lastly, as regards the Jumma Masjid, it had neither land inam nor cash grant till August 15, where an annual grant of Rs 72 was sanctd in G. O. no. 607-9 / Kny 303-14-8, 28-8-15 towards the pay of a Muzzin & Caretaker in the Masjid. The Khazi, as will be seen from the cash grant register, gets an annual cash grant of Rs 174-8-0. The income of Rs 72/- per annum from the two shops behind the Masjid has been utilized for necessary annual repairs etc of the Masjid. The Dy: Comr

does not say whether there is any amount at the credit of the institution.

As regards the grant of water convenience to these institutions, an estimate for Rs 160/- was sanctd. in G.O. no. 2410-11 & 20-4-07 for laying out a pipe to the Ahmed Sha Gyumbey at Chitaldrug. As regards the Govt. Chattram, the Dy: Comr. states that an estimate for Rs 38/- was sanctd. by him in June 1907 for providing water-tap and that the work was carried out at a cost of Rs 36-12-6, but that the original papers are not traceable. As regards the pipe connection to Jumma Masjid, the Dy: Comr. states that no papers are forthcoming.

It will thus be seen that complete information about the income & expenditure of the institutions in question has not been furnished by the Dy: Comr. and that papers connected with the grant of water facilities to the institutions, except in the case of Ahmed Sha Gyumbay, are not traceable.

The Dy: Comr's recommendation in Sl. 1 of this file is to levy a water-rate of Rs 6/- per annum from the year 1911-12, the charge being proposed to be met from the funds at the credit of the institutions in question.

From the information available, it may, perhaps, be inferred that Ahmed Sha Qureshi is in a position to pay the water-rate.

As regards the chattram, as the whole of the Cash grant is reported to be spent annually, it is not clear how the institution will be able to bear the charge.

As regards the Jumma Masjid, the charge may, perhaps, be met out of the rent derived from the two shops.

It is not also clear whether each of the three institutions has to pay a water-rate of Rs 6/- per annum or three together as 6/- annum.

Draft order is subd. If the water rate is levied from 1911-12, as proposed by the Dy: Comr in his first letter, it may perhaps be hard for the institutions, especially the Jumma Masjid, which has a poor income, to pay the arrears. If approved, it may be ordered to be levied from the current offl year.

Sir,

In forwarding herewith yadi No. 506 dated the 3rd February 1912, received from the Vice President, Chitaldrug Municipality, I have the honor to state that for want of water convenience in the marginally noted Muzrai Institutions, pipe connection was applied for and at the cost of the respective institutions pipes have been laid out. I beg to recommend that a water rate of Rs 6 per annum with effect from the current official year may be ordered to be paid out of the funds available at the credit of the respective institutions. As the municipality is very poor in finances, it is not possible to give water free.

To

L. Krishna Rao Esquire,

Offg: Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department, Bangalore.

S I R,

With reference to your letter No.2710/Muz.546-11-2 dated 13th May 1912, calling for certain information in connection with the question of water tax payable to the Chitaldrug Municipality for the supply of water to the marginally noted Muzrai institutions at Chitaldrug, I have the honor to state as follows:-

1. Ahemd Shâ Gumbaz at Chitaldrug.
2. Government Chattram ----Do----
3. Jumma Maszid. ----Do----

2. The Ahmed Sha Gumbuz is endowed with a Sarvamanya village, viz Sajjanakere in the Chitaldrug Taluk. The village which was temporarily under Government management has since been restored to the Inamdars as per Government order No.2059-63/Muz.F.16 of 1895 dated 30th December 1907 and it is now under the management of the Inamdars.

3. The Government Chattram at Chitaldrug enjoys a ready money grant of Rs 688-8-0 per annum and the whole of this amount is being spent annually.

4. In connection with the Jumma Maszid, the Khazi who renders service at Chitaldrug gets an annual ready money grant of Rs 174-8-0 and a similar grant of Rs 72 per annum has been recently sanctioned by Government in their order No.607-9/Muz.303-14-4 dated 25th August 15 towards the pay of a Muzzin and caretaker in the Maszid. An l rent of Rs 72 derived from the two shops built behind the h is credited to Muzrai Funds is being utilised for

executing necessary annual repairs &c., to the Mosque and the shops in question.

5. As regards the papers relating to the grant of water connience to these institutions, I beg to invite reference to Government order No.2410-11 dated 20th November 1907, in which it was for Rs 160 was sanctioned by Government for laying one pipe to the Ahmad Sha Cumbuz for the use of the devotees attending the for religious purposes. It is seen from the register of estimates tained in this office that an estimate for Rs 38 was submitted by the Deputy Commissioner on the 20th June 1907 for the drawing of tap to the Government chattram at Chitaldrug and the work was carried out at a cost of Rs 36-12-6. But the original papers relating to these two works could not be traced.

6. No papers are forthcoming in respect of the pipe connection given to the Jumma Masjid at Chitaldrug by the Municipality. From the connection was given when pipes were laid out in the town, as the institution is situated in the middle of the town.

I have the honor to

Sir,

Your most obedient servant,
